Hi Jim,

I heard, and I didn't want to disturb you while you were enjoying your time away. This place is crazy enough without knowing you're coming back to yet another "rush" thing. So, we won't need you to testify this afternoon, and we are trying to work out a plea. Worst case, tomorrow for testifying, and I will work around your schedule because the officers are also available Thursday. I will know more specifically by about 3pm today.

thanks a ton,

Kath
